

We are going to the Busselton Jetty Marine Discovery Centre

I am going to visit the Marine Discovery Centre!

Getting our Tickets

We need to check in and get our tickets at the office.

There might be lots of people so I will try to wait in line for our turn.

Facilities

There are toilets at the
Marine Discovery Centre

Water fountains to refill
my water bottle and
seats that I can sit on and
rest.

Staff and Volunteers

Staff and volunteers are there to help and answer any questions I have.

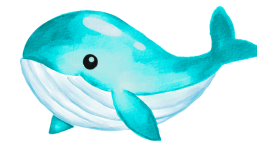

They will be in uniform so I can identify them.

Marine Discovery Centre

We will go into a big room with lots of screens on the walls.

It can be dark and remind us of what it might be like to walk under the ocean.

Marine Discovery Centre

There will be lots of noises, like whales and dolphins singing.

I can wear headphones or take a break if I need to.

Marine Discovery Centre

The staff will talk about the ocean and I will try to stand still and listen.

We can ask the staff questions.

Marine Discovery Centre

I will be careful not to
touch the big screens

Marine Discovery Centre

There are lots of activities
that I can try.

I will wait patiently for my
turn if there are other
people.

Going Home

I am proud of myself for going to BusseLton Jetty Marine Discovery Centre.

Maybe I will visit again one day!
