ABOUT US

Located only 2.5 hours' drive south of Perth, the heritage-listed Busselton Jetty is the longest timber piled jetty in the Southern Hemisphere, and is home to one of only six underwater observatories in the world!.

Busselton Jetty blends fun and education in one of Western Australia's most inspiring coastal settings. This iconic destination offers hands-on learning in marine science, conservation, and local history.

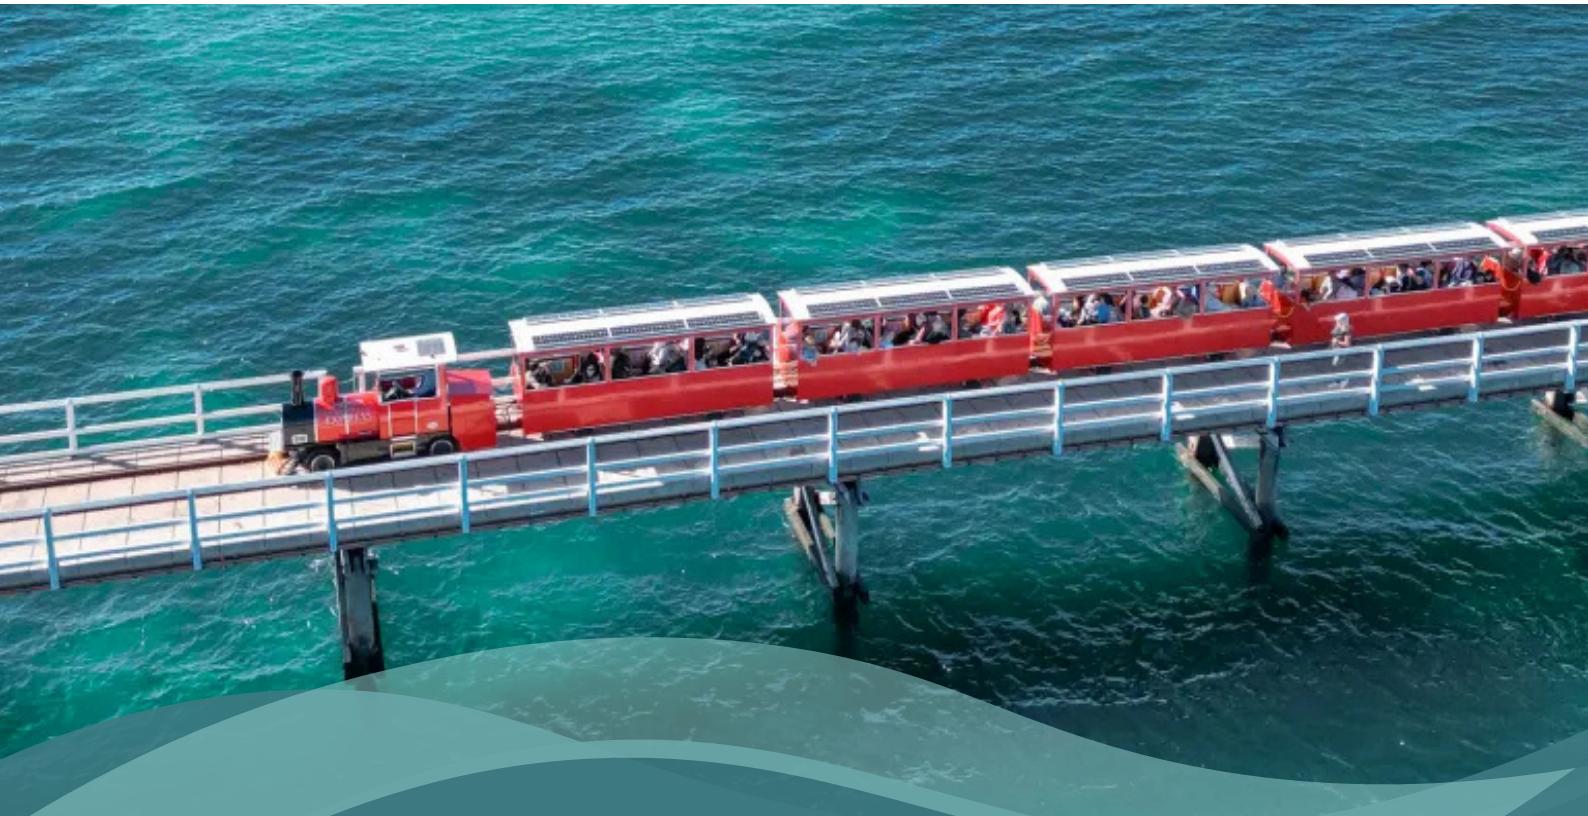

We offer a variety of options, no matter your group size, age, budget, or length of stay in Busselton. We offer schools pricing and teacher support through the booking process.

EXCURSION PLANNING

PLANNING & SAFETY DOCUMENTS

Our excursion planning documents are available for download at:

www.busseltonjetty.com.au/education

Please contact our team if you require further information.

SUPERVISION REQUIREMENTS

Schools are responsible for providing sufficient adult supervision for their group. We request that students aged 5 and under have a ratio of at least 1 adult per 5 students. If you are unable to provide this ratio, please speak with our team.

WHAT TO BRING

Weather-appropriate clothing and closed-toe shoes are recommended. There is limited backpack storage at the Observatory and Marine Discovery Centre, so we recommend leaving belongings on the bus during your visit if possible. Reusable water bottles and waste-free lunches are highly encouraged.

ACCESSIBILITY

Busselton Jetty is committed to providing a safe, comfortable, and inclusive experience to all visitors. If your group has special needs or accommodation requests, please let us know at the time of booking. For comprehensive accessibility information, visit us at www.busseltonjetty.com.au/accessibility or give our team a call to discuss.

WHAT TO EXPECT

ARRIVAL & PARKING

Allow plenty of time for parking, especially during peak seasons and on event days. Our excursion planning documents include a bus parking map. If you are local, consider a walk or bike ride to the Jetty. Bike parking is available at multiple locations across the foreshore.

CHECK IN

Please ensure that you are ready to check in for your experience at least 15 minutes early, as start times are prompt.

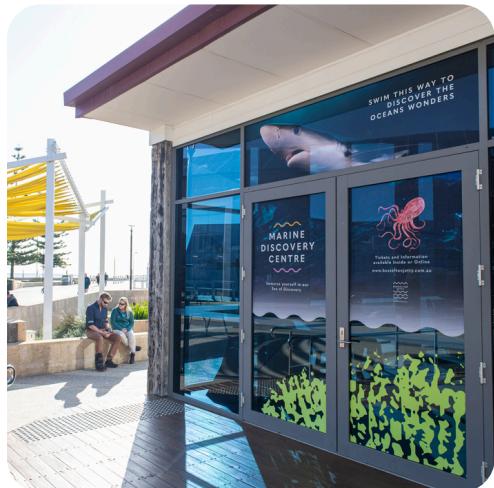

Observatory Tour, Train Ride, Walk and Snorkel check in is at the Interpretive Centre, at the base of the Jetty. Marine Discovery Centre check in is at the Busselton Visitors Centre.

AMENITIES

Toilets are available at all Jetty locations, and water fountains are available at the Interpretive Centre and Underwater Observatory. The Busselton Foreshore precinct also has public toilets, water fountains, and showers.
